EDUCATION:

VIGNAN'S INSTITUTE OF INFORMATION TECHNOLOGY, VISAKHAPATNAM   (2022-2026)

B.Tech Computer Science Engineering with Data Science Specialisation. CGPA - 8.00

PROJECTS:

Expense Tracker
- This website allows users to add their daily expenses and track monthly budget by adding their expenses.
- It has local storage integration for persistence across reloads and provides chart based visualization of expense breakdown.

Notes App
- This notes app allows users to add new notes instantly and edit existing notes and update dynamically.
- It also allows users to delete notes and has a dark UI theme.

TO DO List
- This is a to do list website that allows users to add tasks, mark them as complete and delete tasks.
- It has a local storage facility that saves the task so that the tasks are not deleted every time website refreshes.

Technical Skills:

Languages: Python, C++, Java Script, HTML, CSS.

Technologies : React JS, Node JS, Data Analysis, Machine Learning

Developer Tools : Github, GithubActions.

Certifications :

- Python Essentials 1 and 2 – Cisco Networking Academy
- Introduction to Data Science – Cisco Networking Academy
